Storm 30:1 Airless Spray Pump

Low volume spray pump ideal for low volume solids. Used for commercial and fine finish applications.

Specifications

Capacity (cc):	62
Max. air working pressure (bar):	6
Max. fluid working pressure (bar):	180
Volume output (lpm):	3.8
Estimated air consumption (cfm):	5 - 15
Pressure ratio:	30:1
Weight (kg)	28

*Paints with up to 55%
volume solids can be
sprayed*

Improved sleeve design

Robust!
